Very Satisfactory: 3 Satisfactory: 3 Unsatisfactory: _____ Very Unsatisfactory: _____

Overall Satisfaction with Participation Process of the SFMC:

Very Satisfactory: 1 Satisfactory: 5 Unsatisfactory: _____ Very Unsatisfactory: _____

General Comment:

- Introductions only when a new person is attending and members introduce themselves.
- Good meeting, informative, educational, well presented.
- Soil quality conservation for rare species or NTFP to be protected or used was not adequately addressed. Soils lose capacity to sustain plant life when exposed to the elements.
