b. Opportunities to speak about subjects:

Very Satisfactory: _____ Satisfactory: 5 Unsatisfactory: _____ Very Unsatisfactory: _____

Overall Satisfaction with Participation Process of the SFMC:

Very Satisfactory: _____ Satisfactory: 5 Unsatisfactory: _____ Very Unsatisfactory: _____

General Comment:

- I found the meeting very informative. Participating in developing the DSA standard helps the committee understand forest management priorities.
- Getting underway was slow due to confusion of understanding the process.
- Self introductions of committee members were too long and too deep.
- Improved orientation of lay persons is required.
